

TWINMAX

== CALF HUTCH ==

BETTER TOGETHER

Purpose-built for **paired calf housing**. Give two calves the space to grow together with the TwinMax Hutch. TwinMax combines generous interior space, enhanced ventilation and labor-friendly features in one durable Calf-Tel housing solution.

ROOM FOR TWO

With 52.98 sq. ft. of interior space, TwinMax provides a spacious environment designed specifically for two calves.

BUILT AROUND YOUR ROUTINE

Thoughtful feeding access, large rear bedding doors and a standard lifting bracket help make everyday calf care easier.

FRESH AIR FROM EVERY ANGLE

Upper, lower and ridge ventilation work together to promote airflow throughout the hutch, providing 742 sq. in. of total ventilation.

Twice the Space. One Smart Solution.

DINNER FOR TWO

An 88" front accommodates up to four Direct Attach Pails with cutouts and at least two bottle holders.

ENHANCED VENTILATION

Improved airflow and thermal management help maintain respiratory health and comfort in a variety of climates.

BUILT TO LAST

Thermoformed construction and molded structural ribs provide the strength, stability and durability needed for everyday use.

READY TO WORK

No assembly required. A standard lifting bracket makes the TwinMax easier to maneuver, while its sloped design allows hutches to nest for efficient shipping and delivery.
